§ 3001.68 Text of the Domestic Mail Classification Schedule.

The Domestic Mail Classification Schedule established in accordance with subchapter II of chapter 36 of title 39 of the United States Code appears (with blank rate schedules) as appendix A to this subpart.

[50 FR 28144, July 10, 1985]

§ 3001.69 Expedited minor classification cases—applicability.

(a) This section and §§ 3001.69a through 3001.69c apply in cases where the Postal Service requests a recommended decision pursuant to section 3623 and seeks expedited review on the ground that the requested change in mail classification is minor in character. The requirements and procedures specified in these sections apply exclusively to the Commission's consideration of requested mail classification changes which the Postal Service denominates as, and the Commission finds to be, minor in character. A requested classification change may be considered to be minor in character if it:

(1) Would not involve a change in any existing rate or fee;

(2) Would not impose any restriction in addition to pre-existing conditions of eligibility for the entry of mail in an existing subclass or category of service, or for an existing rate element or work sharing discount; and

(3) Would not significantly increase or decrease the estimated institutional cost contribution of the affected subclass or category of service.

(b) This section and §§ 3001.69a through 3001.69c are effective November 28, 2001 through November 28, 2006.

[66 FR 54440, Oct. 29, 2001]

§ 3001.69a Expedited minor classification cases—filing of formal request and prepared direct evidence.

(a) Whenever the Postal Service determines to request that the Commission submit a decision recommending a mail classification change, and to seek

expedited review on the ground that the requested change is minor in character, it shall file a request for a change in mail classification pursuant to section 3623 that comports with the requirements of this section and of subpart C of this part. Each such formal request shall include the following particular information:

(1) A description of the proposed classification change or changes, including proposed changes in the text of the Domestic Mail Classification Schedule and any pertinent rate schedules;

(2) A thorough explanation of the grounds on which the Postal Service submits that the requested change in mail classification is minor in character; and

(3) An estimate, prepared in the greatest level of detail practicable, of the overall impact of the requested change in mail classification on postal costs and revenues, mail users, and competitors of the Postal Service.

(b) If the Postal Service believes that data required to be filed under § 3001.64 are unavailable, it shall explain their unavailability, as required by § 3001.64(a)(2)(i), (ii), and (iv). If the Postal Service believes that any of the data or other information required to be filed under § 3001.64 should not be required in light of the minor character of the requested change in mail classification, it shall move for a waiver of that requirement, stating with particularity the reasons why the character of the request and its circumstances justify a waiver of the requirement. A satisfactory explanation of the unavailability of information required under § 3001.64, or of why it should not be required to support a particular request, will be grounds for excluding from the proceeding a contention that the absence of the information should form a basis for rejection of the request, unless the party desiring to make such contention

(1) Demonstrates that, having regard to all the facts and circumstances of the case, it was clearly unreasonable for the Postal Service to propose the change in question without having first secured the information and submitted it in accordance with § 3001.64; or
